Apollo
MEDICINE

Official publication of Apollo Hospitals Group

Opportunity to convert Presentations to Publications

Selected papers accepted for presentation at THIT 2023 may be considered (if accepted following peer review) to be published in a special **"Proceedings of Conference"** Abstract section in Apollo Medicine Journal. The abstract should specifically contain the following subheadings: • Background • Methods • Results • Conclusion in 250 words. These abstracts will be published, under one DOI. Full text articles of presentations at the conference can also be submitted in the journal-required format of Apollo Medicine. Papers will be sent for blinded peer reviews. Decision of the Editor-in-Chief of Apollo Medicine will be final.

All abstracts and communications regarding publication must be sent to sc@transformhealth-it.org

All abstracts must be received before 15th December 2022 at the latest. Full text of articles must be received before 31st January 2023 at the latest.

Apollo Medicine (<https://www.apollomedicine.org/>) is the official journal of Apollo Hospitals Group. It was conceptualized to provide a platform for researchers and clinicians to publish their research ever since its inception in September 2004. The Journal is published Quarterly by Wolters Kluwer. The contents of it are published online and as the hard copies of the circulation journal. **Abstracting and Indexing Information:** The journal is registered with the following abstracting partners: Baidu Scholar, CNKI (China National Knowledge Infrastructure), EBSCO Publishing's Electronic Databases, Ex Libris – Primo Central, Google Scholar, Hinari, Infotrieve, ProQuest, TDNet, Wanfang Data. The journal is indexed with, or included in, the following: DOAJ.

Detailed instructions to authors are available @ <https://apollomedicine.org/contributors.asp>
